## INTRODUCTION

In this paper, we provide the calculations showing that the end date is November 9<sup>th</sup>, 2023. It is derived from our knowledge of Scripture and AT Math. We begin with Pi.

$$\pi=22/7$$

$$2^{22}/2^7=2^{15}=2^{(5)(3)}=2^{Et}$$

$$2^{22}/2^{15}=2^7=128=u\bar{v}=\text{universal vector for a } 1 \times 8 \times 22 \text{ Ellipsoid}$$

$$2^{15}/2^7=2^8=256=2^t=2^{1/E} \quad \text{GMP } E=-1.25; t=0.8$$

$$2^{Et}=u\bar{v}-2^t$$

$$2^{Et}+2^t=u\bar{v}$$

$$Et \ln 2 + t \ln 2 = 128$$

$$Et + t = 128 / \ln 2 = 184.66$$

$$E = 1/t$$

$$E = t$$

$$E^2 + E - 184.66 = 0$$

$$E = [-1 \pm \sqrt{(1^2 - 4(1)(-184.66))}]/2(1) \\ = [-1 \pm 2.719]/2$$

$$= [-1 \pm e^1]/2 \\ = 131$$

$$= [1 \pm e^1]/2$$

$$= [1 \pm \sqrt{5}]/2 \\ = 1.618; -0.618$$

$$\pm \sqrt{5} = e^t$$

$$+\sqrt{5} = e^t$$

$$t = \ln(|\sqrt{5}|) = 0.8047 \approx 81 = 1/E$$

$$E = M = 1/81 = 0.012345679$$

And,

$$2^{Et} + 2^t = u\bar{v} = 128 = 2^7$$

$$Et \ln 2 + t \ln 2 = 7 \ln 2$$

$$Et + t = 7$$

$$t(E+1) = 7$$

$$1/E(E+1) = 7$$

$$1+t=7$$

$$t=6$$

$$E=1/t=1/6=0.1666$$

From AT Math:

$$E^2+E-2=t$$

$$0.1666^2+0.1666-2=t$$

$$t=180^\circ=\pi$$

I expect the final day to be November 9,2023. This is 9-11. And it is 22 years after September 11, 2001. 22 as we've seen is the fullness of time  $=\pi=22/7$

Daniel 12:11-12 tells us that the Mass will be suppressed. November 9,2023 is 1335 days past March 15,2020 -the date Pope Francis suppressed the Perpetual Sacraifice (the Mass) due to COVID-19.

The first year according to the Jews is 3763 BC.

$$3761+2023 +1=5785 \sim 1 \text{ rad}=E$$

$$=1/\sqrt{3}=1/t=E$$

$$(\pi-1)=2141.59$$

$$5785/2.14159=270.1 \sim e^1$$

My birthday is February 11, 2023. That is 2.70 days before November 19,2023.

$$E=1/t=1/271=e^{-1}$$

Feast of St Bernard of Clairvaux August 20, 2023.

$0.271 \times 30 \text{ days /month} = 81.3 \text{ days.}$

November 9, 2023 - 81.3 days = August 20<sup>th</sup> 2023. St Bernard is said to be involved in the End Days.

In the Catholic Church, November 9<sup>th</sup> 2023 is the Feast of St John Lateran. The Basilica of St John Lateran is the Popes Church.

## **CONCLUSION**

The end date is November 9<sup>th</sup> 2023. The next major dates to watch are February 11, 2023 (270 days remaining) ; August 20<sup>th</sup> 2023 (1290 days remaining, likely nuclear explosion) , and September 5<sup>th</sup> 2023 (66 evil days remaining).
